

## Committed to Clean

Every motorcoach is thoroughly cleaned and disinfected using CDC approved agents before and after every use.

- ✓ Special focus on disinfecting high touch points such as entrance area handrails, parcel rack handrails and door latches
  - Headrests, armrests, seat belts and seat accessories
  - All surfaces in the restroom, including door handles
  - All surfaces within the driver's area
- ✓ Every 14 days, each coach interior will be completely disinfected using 360 degree Electrostatic Spray Technology

## Breathe Easy

Onboard air quality you can rely on

- ✓ All cabin air completely exchanged with fresh, outside air approximately every 10 minutes
- ✓ HVAC system filters recirculated air with MERV 7 or higher rated filter media, removing respiratory droplets

## Sit Comfortably

Enjoy your space, travel in comfort

- ✓ We are temporarily reducing the available number of seats on our tours to give our Drivers, Tour Directors, and Tour Guests more space throughout the coach.

## Ride Smart

- ✓ Tour Guests, Drivers and Tour Directors are required to wear a face covering while onboard the motorcoach.
- ✓ Maintain physical distancing as you enter and exit the coach
- ✓ Hand sanitizer dispensers are located at the front and rear of coach
- ✓ PLEASE do not travel if you're sick – we can always travel with you another time

## Ride With Confidence

- ✓ We consistently comply with guidance as provided by our industry associations as well as the CDC, WHO and local governments
- ✓ Our Drivers, Technicians and Staff have been trained in best practices, including boarding and baggage handling.
- ✓ Our additional investments in intensified cleaning and protection help ensure a sanitary environment
