Dear Valued Starr Traveler,

Welcome to 2024 – a great year to move forward!

We have so much excitement and good news to share with you and we hope you are looking forward to this year as much as we are!

After 33 years of 2nd generation ownership, the torch and stewardship of the company has officially been passed to myself and my husband, Pete. We are thrilled to “officially” bring Starr into the 3rd generation of ownership – a feat accomplished by only 12% of family-owned businesses. With a combined 30 years of tenure at Starr, Pete and I are excited to continue the legacy that my grandfather began 77 years ago.

It's an honor to continue providing safe and comfortable bus travel and tour packages to individuals, groups, businesses, and organizations within the Delaware Valley. Additionally, it's rewarding to work with such talented drivers, mechanics, tour directors, and office staff.

As the year kicks off, here are some of the exciting things we have in store for 2024:

- We are expanding our fleet... Again! We purchased two brand new buses this past fall and we have 2 more 30 passenger coaches on the way this winter.
- An all-new Cross Country trip featuring the highlights of Route 66 and so much more! This is a great first-time Cross Country trip but also a great opportunity for those who have done a Cross Country trip to do another one! And... It's timed perfectly for the upcoming centennial celebration of Route 66!
- A new Driver Academy! Don't have your CDL but want to drive for Starr? We can now help you achieve your goal with our new training program!
- We have expanded our staff to better serve our valuable clients! Welcome to Martin, Samantha, and Sandy G!
- Our College Break Bus program is the biggest it's ever been, with service to and from 9 schools and 7 states. We operated 62 buses and transported 2,500 students this past Thanksgiving break and hope to increase the number of schools we serve this fall!

We couldn't do all that we do without you, our valued travelers. You're the reason we do what we do, and we can't wait to do more of it. Wishing you a 2024 full of wonderful travel memories.

Yours in travel,

Sandy Borowsky

Cross Country

We just got back from Starr's Cross Country trip. It was beyond amazing!! Gene, the tour director, was fantastic and very detail oriented. He made the trip fun and educational! He thought of everything, including the best music on the bus. We had a blast! Our driver, Fernando, was also fabulous. Without him we could not have traveled the USA. We highly recommend traveling with Starr. We have done many, many trips in the past and none have disappointed. We have 5 more already booked and can't wait to get on the road again !! Thank you Sandy and Starr Tours.

- Shari L

Hudson Valley, NY

Just got back from Hudson Valley, NY. Fabulous trip and met so many wonderful people. If you are a solo traveler, you will be just fine. Saw so much in 3 days. River cruise along the Hudson, Olana, FDR Museum and Library, dinner at Culinary Institute of America, West Point, and Brotherhood Winery. - A.M.

Niagara Falls, Toronto & Europe!

Our recent trip to Niagara Falls and Toronto was well organized and professional, yet relaxed and fun. An agent took our reservation and make the experience extra special. Our fellow tourists were very nice and our bus driver was very competent. Our tour guide was fantastic. She is one of the top tour guides we have had, even on two-week European trips ... We look forward to future trips with Starr Tours. - Tom L

Daytona Beach

Traveling can be complicated; but with Starr Tours, they do all the work with perfection!! Just returned from their 13 day trip to Daytona Beach and my wife and I had the best time! We didn't have to plan anything; just sat back and enjoy the hotels, food, side tours, etc. Penny, our tour director was fabulous and Andrew, the driver was skilled! We'll be taking many more trips with Starr... thanks to all of the people on the inside! - Brent E

Europe

I have taken tours to Europe two times with Starr Tours, and both experiences have been fabulous. They think of everything. All you need to do is pack your suitcase. My very first cruise to Greece & Italy was made even more enjoyable because of the amazing Starr Tour guide, Angie B.
